This event will incorporate a full programme of individual and synchro events. Individual events will consist of 1m, 3m and Platform. There will be six synchro events (3m, P/F, same gender/mixed & the random, or 'Hat' Synchro, 3m & P/F).

Each synchro team will consist of two divers, who need not be members of the same national federation. Any diver who wishes to dive in the synchro events, but does not have a partner, can enter singly, paying the entry fee of 15 Euro, which will not be refundable. Such divers will then be placed in a pool of divers, whose names and contact details will be made available to other entrants. Divers may then make their own arrangements to team up with another and enter the relevant synchro event as a team. Entering the synchro event(s) singly means that you give permission for your contact details to be made available, as above.
